ABOUT UNICAMP

Unicamp is a Unitarian Universalist camp that is committed to providing a safe and welcoming seasonal camp and spiritual retreat to our diverse community. Our programs and activities are designed to grow awareness and practice of our UU values in which our camp is rooted. These values include the understanding of the importance of each person, the quest for kindness in all we do, and that we are free to learn together and search for what is true. We affirm that all people need a voice, and work to build a fair and peaceful world and care for our sacred earth with awareness to the interconnectedness of all things.

CHANGES FOR 2026

- The Unicamp Board approved a succession policy for the spouses of seasonal site holders on Oct. 7, 2025 as follows. When a spouse that is the main site holder passes away, and their spouse meets the criteria for a main site holder and they are named on the current seasonal contract - then the spouse may take over the contract.
- All listed adults as a seasonal on your site are required to supply a contact email. This is to ensure everyone who is registered as either a Seasonal Camper or a Registered Guest receives the information in this Seasonal Camper Package and latest info about camp.
- **Late Fee Has Been Revised:** Your timely payments support Unicamp's operations and reduce administrative burden. A late payment fee of 1% will be applied to the outstanding balance due, 30 days after the due date. After every subsequent 30 days an additional 1% will be charged on the outstanding balance.
- **Invoicing for Seasonal Camping** will be sent by Unicamp of Ontario's bookkeeper, Vera – admin@unicampofontario.ca – to each seasonal camper after they have filled their forms and contract.
- **Retreat Guru and guests:** When you are expecting a guest for a night or two, please use the general reservation link with Retreat Guru to book and pay for them (or have them do this themselves). Otherwise, you can let the staff know at Admin so that the guest charges can be invoiced to your account. *Please note that if you have an adult that regularly joins you on your site (such as your partner or any other adult sharing the site with you), they would be considered an Additional Adult on your seasonal site and would be subject to the additional adult seasonal fee.*
- Any Seasonals with an outstanding balance from 2025 will not be offered a contract for 2026 until the balance + late fees are paid.

2026 IMPORTANT SEASONAL DATES

- **March 20, 2026:** A deposit of \$500 is due on March 20, 2026. Payment to be sent to admin@unicampofontario.ca . Furthermore, a signed and completed copy of the seasonal camper contract must be emailed to exec.director@unicampofontario.ca by this date.
- **Contract Signing:** Be sure to include the name of your UU congregation (or Church of the Larger Fellowship), update your contact information, add any additional adults on your site and their contact information.
- **May 8:** Water turned on and Unicamp is open to seasonal campers.
- **May 8:** Remainder of fees for 2026 season due.
- **May 15-18 & Oct 9-12: Give and Take Weekends** (also known as 'work weekends').
- **Oct 13:** Water shut-off begins. Taps are turned off, with the exception of Dining Hall and cottages.
- **Oct 12-18:** The dorms are closed, but cottages are still open. Feel free to book a cottage for a night to have some heat and running water while you tear down your site.
- **Oct 18:** The last day you can be on property to close up your campsite. Please be respectful of this date.
- **Oct 19: Camp is closed to anyone who is not a staff member or volunteering with the shut down of camp. No exceptions.**
- **December 1:** Trailer or overwinter storage fees of \$300+ HST for the winter of 2026-2027 are due (where applicable).

SEASONAL CAMPER CONTRACT INFORMATION

Please note that a separate Seasonal Camper Contract has been sent to you. Please read it thoroughly, fill it out, and email a copy to exec.director@unicampofontario.ca

On behalf of Unicamp of Ontario Incorporated (referred to as "Unicamp" in this document) the Executive Director rents to the primary site holder (referred to as the "Camper" or the "Seasonal Camper" in the remainder of this document) a campsite at 638159 Prince of Wales Road, Mulmur, Ontario for the 2026 season, subject to the terms of this contract. This contract ends October 18, 2026. Use of the contracted site by Unicamp to the Camper shall be subject to the following terms and conditions:

TERMS OF OCCUPANCY

DURATION OF OPEN SEASON

Seasonal Campers are welcome at Unicamp from May 8, 2026 to October 18, 2026.

Access to Unicamp and all services may be affected by weather, or unforeseen circumstances. Unicamp reserves the right to close services for repairs, upgrades, and maintenance, or as required for health concerns which may impact the community.

Unscheduled closure or a later opening date, will be communicated to all Seasonal Campers through email.

This contract is complete at the end of the 2026 season: October 18, 2026.

Closed Season:

Access to the Unicamp property during the closed season is not permitted.

RENEWAL OF CONTRACT FOR 2026

It is expressly acknowledged by the signing parties that there is no representation of assurance by Unicamp to the Camper that this contract will be renewed annually, nor that access to the same seasonal site can be guaranteed in following years. That said, if seasonal sites continue to be available for the following year, we will prioritize those who had been contracted to that Site for the previous year and are in good standing. If the Seasonal Camper has requested a Seasonal Site change, it will be taken into consideration during the off-season and the following contract may reflect this change.

Seasonal Campers in good standing who would like to return for the following summer will be asked to submit a deposit of \$500. If a trailer or bunkie remains on the seasonal site during the off-season (November through April), the Camper will be charged a storage fee (see fees, below).

Any Campers that are not to be offered another seasonal contract due to breach of contract, will be contacted by the Executive Director before January 2026.

Sites whose contracts are not renewed for the following season--including those Seasonal Campers who have chosen not to return--are to be vacated by the Camper by **May 7, 2026**, at owner's expense, so they may be made available to those on the waiting list as soon as possible.

REGISTERED GUESTS VERSUS OCCASIONAL GUESTS

Unicamp only allows Seasonal Campers who are registered as the main site holder and registered seasonal adults (UU or non-UU) to be onsite during Kids' Camp and Junior Youth Week (July 5 at noon until July 31 at 4pm); no day guests nor additional nightly guests are allowed during these times.

Registered Guests are included with the initial registration, upon signing this contract. They are required to give their contact email information. They are expected to have read and understood this contract and accompanying rules. Please understand we take this extremely seriously because during Kid's and Youth Programming, we have unaccompanied minors living and sleeping on site and cannot have unknown adults on the property.

Additional registered guests may be added later in the season by emailing bookings@unicampofontario.ca.

CAMP SITE ASSIGNMENT

Seasonal Camper agrees to be responsible for rented site (# as listed on contract), including all financial and care responsibilities in line with this contract, the Seasonal Camper Privileges and Responsibilities section, and Camp Conduct Agreement.

All rights to the site use and assignment return to Unicamp on October 19, 2026.

EXTENDED ABSENCE

Extended Absence: It is expected that seasonal campers will regularly occupy their camp site. Please alert staff of an extended absence or make your own arrangements for someone to check on your site. If you no longer are able to utilize the site regularly, consider site-sharing or whether limited use supports the best interest of camp. Keep in mind that our seasonal wait list is long, with many community members waiting years to have a seasonal site at Unicamp.

CLEARING THE SITE

In the event that a Seasonal Camper is not extended a follow-up contract, the current contract is rescinded due to noncompliance, and/or the Seasonal Camper has decided to end their contract, it is the Camper's responsibility to remove their belongings from the site by May 8. If the Camper does not remove their belongings, the Camper shall pay removal costs, storage and miscellaneous charges incurred by Unicamp. Unicamp shall give the Camper 30 days notice of such charges and should the Camper not pay to the owners such charges within 30 days after receipt of such notice, late fees will be applied.

FEES

The fees for 2026 have not been increased from the 2025 fees, except for a 6% increase in hydro charges, to reflect the significant increase in hydro charges in 2026.

OVERWINTER STORAGE FEE

The overwinter storage fee (where applicable) of \$300 plus HST is due Dec. 1, 2025. This fee applies to a trailer or bunkie that remains on the seasonal site from October 19, 2026 to May 7, 2027.

DEPOSIT

A deposit of \$500 is due March 20, 2026. The balance of the Seasonal Campsite Fees are to be paid in full by Friday, May 8, 2026.

Deposit and fees may be paid by:

- **Cheque** sent to our business address:
PO Box 31142. RPO Willow West Mall Guelph ON, N1H 8K1,
- **E-Transfer** (preferred method) to admin@unicampofontario.ca, or
- **Credit Card** - please ask bookings@unicampofontario.ca for this method

In the event of a closure beyond 2 weeks, fees will be adjusted accordingly and reimbursements will automatically be issued if overpayment has occurred.

Invoices: You will receive invoices regarding seasonal site fees and your deposit from our Bookkeeper at admin@unicampofontario.ca.

CAMP RULES AND REGULATIONS

CAMP CONDUCT AGREEMENT

Unicamp's Camp Conduct Agreement is located on the website [here](#).

Seasonal Campers and their guests are expected to comply with the rules that maintain safety and cohesion in our camp. Seasonal Campers should not expect nor request exceptions to the rules to be made for themselves or any of their guests. We advise you to send the Seasonal Camper Amenities and Responsibilities guide to anyone staying on your site as a guest.

NONCOMPLIANCE AND LOSS OF HAVING A SEASONAL SITE

Being a seasonal camper is a privilege. It is important that all seasonals follow the rules of camp along with the rules set out in this document. Significant non-compliance could result in the loss of the seasonal contract. We appreciate your cooperation and significant contributions to Unicamp.

Rule Updates

Unicamp reserves the right to, as needed, make changes to either the rules or responsibilities of Unicamp. Campers will be informed in writing, and have the option to cease their contract if they cannot agree to the updated rules. The Seasonal Site fee would be recalculated and, where applicable, a refund for lost access to Unicamp would be disbursed.

BENEFITS & RESPONSIBILITIES OF SEASONAL CAMPING

In addition to the Unicamp Rules ("Camp Conduct Agreement"), there are Benefits and Responsibilities specific to Seasonal Campers. These specify requirements for trailers and site use and should be respected at all times by the Seasonal Camper and their guests.

Seasonal Camper Stewardship Role:

Unicamp is a Unitarian Universalist cooperative community. We rely on the financial generosity of volunteers, and generosity of time and sharing of talents, in order to keep our fees reasonably priced and our camp in good order. We strive to develop the type of interconnected community and relationships that thrive and deepen through working alongside one another.

Seasonal campers serve in a vital stewardship role in support of Unicamp - you are the bones of our community. Thank you for all that you do! Unicamp needs and relies on seasonal campers' many volunteer contributions. We ask that seasonal campers contribute 18 hours per season per adult sharing the seasonal site. There are many ways that seasonal campers can and do contribute to the success of Unicamp (eg: building community fires or leading campfire singing, volunteering at work weekends or

other times to help with tasks, raking beaches, clearing paths, helping with Sunday services, leading a free program or an activity for campers, helping newcomers to camp find their way around, serving on a working group or as a Representative for your congregation and many more. We trust that seasonal campers see the value and importance of their contributions to the success and sustainability of Unicamp.

UNICAMP COMMUNITY WORK PERIODS

“GIVE & TAKE” WEEKENDS

Give and Take weekends are one way to complete your time. In 2026, there will be two “give and take weekends” during the Shoulder Seasons:

Give and Take Weekends (also known as “work weekends”)

- **May 15-18: Help awaken Unicamp for the 2026 season!**
- **October 9-12: Get Unicamp ready for the winter!**

Come and experience the beauty of Spring and Autumn at Unicamp and the joy of creating together, with old friends and new, at our Give and Take Weekends. These are wonderful opportunities to give back to Unicamp! Free food and accommodations will be available for volunteers.

Tasks include splitting wood, painting, carpentry, cleaning, raking, fixing, clearing paths, setting up tents and tarps, and an assortment of jobs for folks of all skill levels! Work materials are supplied. Bring old clothes, warm bedding, rain-gear and gloves. Labeled tools, shears, and painting equipment would also be helpful.

Evenings include campfires, drumming, board or card games, talent shows, or just enjoying the nighttime stars. Often we have our well-loved Unicamp Dance on Saturday nights as well, and our UU-Sunday Service when possible.

Please inquire with the Camp Director on ways to volunteer your time. There are many ways to contribute to our community!

WHAT YOU CAN OFFER

Our Seasonal Campers come with a wealth of knowledge, experience, and capabilities! During the busy summer months, our staff members may not have the opportunity to stop and consider how you may help. If you have the time and energy to lend a hand, please check with our Camp Director or Property Manager! If you are offsite or the staff is unavailable onsite, you can also email the Executive Director to get informed about which aspects of camp are requiring most support. There is truly something for everyone to help with and your help is deeply appreciated.

OCCASIONAL GUESTS

Please note you are responsible for anyone staying on your site. Please do not share your site with somebody you do not know. Please ensure they know and will follow the Camp Conduct Agreement.

When you have a guest that has not previously booked and paid for themselves, let the staff know at Admin so that the charges will be added to your account. It is \$8.00+HST/day per adult on your site.

COLLABORATION WITH STAFF

Please direct any feedback about Unicamp and its property or services to senior staff. You can also email bookings@unicampofontario.ca. Unicamp Staff appreciates Unicamp Seasonal Campers being the “eyes and ears” around camp and appreciate any feedback and support.

BOUNDARIES

As camp is a largely naturalized environment, it grows and changes. All sites have different shapes and attributes. This is the reality of our naturalized property. Following the landscape, some sites are larger than others, offer more or less privacy, moisture and access to services. In an effort to balance the needs of campers and the natural landscapes, sites will be inspected twice annually by the Property Manager(s). **You may not change the dimensions of your site or erect any permanent structures** (i.e. buildings, porches, or permanent decks), including adding furniture and other belongings in the forested parts of your site.

Site-specific changes require written approval from Unicamp’s Executive Director in consultation with senior staff: Camp Director and Property Manager. Your respect and cooperation are appreciated.

If violations of this policy occur, the Unicamp Board has the right to require the owner to remove any structures on Camp property that do not comply, at the owner’s expense.

SITE BUFFER ZONES

We strive to have the buffer zones be 20 feet deep between sites, also known as Regeneration Zones. For the good of the environment as well as our community, it is important this area is left wild to help ensure there is some privacy and space between sites. The buffer zone area is not included in the space you are leasing for the year as part of your rental agreement. We ask that you do not occupy the buffer zone around the site you are renting, and that you refrain from placing your personal items--including chairs, hammocks, dining tents, woodpiles, or cars--in these spaces. In the event your belongings are found to be in the buffer zone, the Camp Director or Property Manager may contact you to move items so that you comply with this contract. These notices will be kept track of throughout each season. Continued failure to comply will result in the termination of your contract at the discretion of the Executive Director and non-renewal

for the following year.

TIDY SITES

We respect the natural aesthetic of our property and encourage you to do the same. Sites are to be kept uncluttered and orderly. Please ensure your campsite is devoid of things laying around when you are not on property—especially at the end of season.

PARKING

One parked vehicle permitted per site. Visiting guests can park in the lot by Admin. You cannot use empty campsites close to your campsites as parking because someone could book those sites at almost any time.

WATER ACCESS

Regardless of the placement of hoses and taps to the Seasonal Campsite, it is available for use by any camper visiting Unicamp. Please note that **no trailers or seasonal campers are to be hooked up to our water system.**

MAX. OCCUPANTS

Six persons may stay overnight per night on a site. Be sure that all these individuals are registered, either as seasonal registered guests, or as nightly visitors.

TRAILER SIZE

Only one trailer is allowed per seasonal site.

Due to Niagara Escarpment Commission regulations and noise and safety concerns, Unicamp Seasonal Campers are not permitted to build structures on Unicamp property. Structures such as custom-made trailers must be constructed outside of Unicamp property. They must be secured on a legal wheeled trailer base and follow all Ontario Road and vehicle guidelines and rolled down the main entrance road on said wheels. The trailer base must stay permanently attached to the structure. The maximum size allowed is a length of 16' and maximum width of 8' 6". Due to the nature of the land, the maximum height is 12' from the bottom of the wheel to the highest point. Folding/Tent Trailers with panels that open up on the side to increase living space are allowed but must take into account the natural features of the campsite. All seasonal bunkies brought on to the property from 2014 onward, will need to have wheels. If they are not compliant you will be asked to add wheels or remove the bunkie.

Additional deck can be a maximum size 8'x12' and must be easily removable.

LIGHT & NOISE POLLUTION

Please be respectful of others in terms of light and noise. Many people come to Unicamp to stargaze and appreciate the darkness and quiet. No amplified music outside of trailers or bunkies at any time. Non amplified music is fine. And please respect the lights out policy. When you are **not** on your camp site or on property please make sure your lights are out.

FIRE SAFETY

All camping trailers, RVs, and bunkies are required to have working fire alarms and carbon monoxide detectors (where applicable). Your safety is important, your enjoyment of a safe campground is important. **Let's work together to make this a great safe season for everyone.** Every unit (RV or Camping Trailer) should also be equipped with a functioning fire extinguisher. Said extinguisher needs to be functional and not expired (check the service tag). "Failure to comply with the applicable Fire Code smoke alarm requirements can result in a ticket for \$235 or a fine of up to \$50,000." – Ontario Fire Marshal

We also request that, should you be leaving your trailer/bunkie at Unicamp over the winter, batteries from these alarms are removed. The dampness in the air tends to make them go off sporadically during the off-season.

For more information, visit:

<https://napoleon.cc/tips/smoke-detectors-required-in-rvs-and-trailers-in-ontario/>

INSURANCE FOR TRAILERS

It is up to each Seasonal Camper whether they would like to obtain Property Insurance for any physical damage done to the trailer. The Certificate of Insurance should show Unicamp of Ontario as the Certificate Holder and Additional Insured. Whether or not Property Coverage is taken, Seasonal Campers are asked to sign a **Property Damage Waiver & Indemnity Agreement** that they will not sue Unicamp for damages to their trailer (below).

END OF SEASON SITE CLEAN UP

Camp set up and take down is the responsibility of the Camper. When vacating your site for the season, please pack everything in your trailer or storage units or take it home. Our neighbors that live nearby year-round have requested that those Seasonal Campers located by the Unicamp boundary fences use camouflage-colored (brown) tarp to cover anything remaining at camp in the off-season, if possible. Please respect Unicamp rules and our neighbours' wishes by keeping your rental space in good shape year round.

VACATING A SITE

If you do not plan to return next year, please let us know as soon as possible. If you have not confirmed by March 1st of the year you plan to not return, which includes the receipt of deposit and signed contract, we will consider the site available for the next person on the waiting list. **Your site must be vacated and all belongings removed by May 8, 2026 to allow the next user to move in.**

WAIT LIST FOR SEASONAL SITES

Currently, we have a sizable wait list. The only way to receive a seasonal campsite is to be added to our Wait List and be offered a site once it is your turn. To be added to the Wait List, please email our Admin Manager (bookings@unicampofontario.ca). You must be a member in good standing at a Unitarian Congregation or the Church of the Larger Fellowship. We will contact applicants in the order that their name appears on the list. After three declines, your name will be removed from the list. Unicamp will send out emails once per year to notify those on the waitlist of where they are on the list and to confirm their interest in continuing to wait. Seasonal Campers are encouraged to reach out to community members they think may be interested in a Seasonal Site at Unicamp.

SITE SHARING

You may choose to Site Share in order to split access and expenses with another Camper. Please remember that only one trailer is allowed per site. While it is your responsibility to plan this arrangement, please contact the Admin Manager (bookings@unicampofontario.ca) in order to get in touch with those on Seasonal Wait List who may be interested.

ACCESSIBILITY AT UNICAMP

We welcome inquiries about challenges with mobility, sensory overload, low vision and other disabilities. Unicamp staff strive to offer services in a responsive and respectful manner, and provide accommodation or extra assistance when possible.

Please be aware Unicamp is not required to meet many of the higher standards under the Accessibility for Ontarians with Disabilities Act (AODA) as a non-profit camp and as we are a small organization. Unicamp complies with all legislation, but we cannot meet every need. In the spirit of cooperation and community building, we suggest respectful dialogue to find support within Unicamp means and abilities.

AMENITIES

INTERNET

For several years now, Unicamp has been trying to find an internet connection that is reliable in our location. Sometimes our wifi is not available to the public because of a slower connection. When wifi is available, the best wifi location is at the picnic table by the admin desk. The password is available at the admin desk. Please do not do live streaming or large downloading as it slows the server down for all and can affect the ability for Admin staff to do their work. If you are using the wifi regularly, please consider a donation of \$5/day to contribute to our wifi payments.

FREEZERS & CHARGER STATION

The Camper Freezer is behind the Dining Hall in the marked “Camper Kitchen Area.” There is also a power bar available in the Camper Kitchen Area to charge your devices. **Anyone camping can use this area and these amenities, including “Occasional Campers.”**

TOOL SHED

If you are looking to borrow camp tools, please ask the Property Manager, Luc Lepage. Be sure to notify staff when you return the tool(s).

PROPERTY CONCERNS/SUGGESTIONS

If you need a picnic table replaced, if dead trees look dangerous, ground leveled, or you want your site regularly mowed please email the Property Manager, Luc Lepage, at propertymanager@unicampofontario.ca and Director, Joanna Barrington, at director@unicampofontario.ca. You may also find them on site and share your concerns.

TELEPHONE

Unicamp has only one telephone line that is open from May to October, located in the old Admin building. If you must use Unicamp’s telephone please keep your calls short. If the call is long distance, please use a calling card. Please do not ask the Unicamp staff to take calls or messages on your behalf.

GATE

The combination for the lock will be changed at the start and end of each season. Please ask our Camp Director or Property Manager for the updated code if you haven’t yet received it. During Children and Youth Camps, the gate is to be kept locked at all times unless it has been authorized to be open by the Camp Director. Additionally, if it is quieter at camp in the shoulder season, you may find that staff has locked the gate. If the gate is locked when you arrive, enter and please lock it behind yourself to keep our

property secure.

CHILDREN & YOUTH CAMPS (July 5 - 31, 2026)

Unicamp wants to ensure the best possible experience for kids and youth, with all the focus on them and their growth in a safe UU community. Therefore, Unicamp only allows Seasonal Campers who are registered as the main site holder and **registered** guests (UU or non-UU) to be onsite during Kids' Camp and Jouth ("Jr. Youth") Week; no day guests nor additional nightly guests are allowed during these times.

During these programs, alcohol and cannabis are prohibited throughout the property. We ask that you please help Unicamp by abiding by these rules to keep our children and youth safe.

The following areas are off limits to seasonal campers during these programs: the playground and mini-common between dorms, the Dining Hall, and Dining Hall deck during meals or programs. **You do have very limited access to the Program Centre and beaches during scheduled periods when the campers will not be there. Please note that Program beach times will be posted at the "fork" in the road between the two beaches, as well as at the Admin Building. Seasonal campers are not allowed at the beach during these times.** If you are in a space when staff arrive for camp programming, you will be asked to leave. Failure to do so could result in loss of privileges at Unicamp. Exceptions cannot be made at any time.

Seasonal Camper Children who are under 18 years old, who are not registered for camp, are not allowed on the property during Children's Camp UNLESS all the following conditions are met:

1. You communicate with the Camp Director and get explicit permission.
2. Children are accompanied by an adult at all times.
3. You strictly adhere to the site use restrictions listed above.

We enforce these restrictions because we are required to be clear which children are in the program and thus cared for by the staff, and which are not. This is a safety concern and your cooperation is appreciated.

RETREAT GURU

Unicamp uses Retreat Guru to book reservations. This system will allow Unicamp seasonals and their guests to book themselves for meals and programming.

PROGRAM CALENDAR 2026

Please check the website for the many amazing programs, activities and events taking place at Unicamp each season. The participation and support of seasonal campers is vital to the success of programming at Unicamp.

Our [Program Calendar](#) will be kept updated throughout the season. It will be full of fun programs and activities! Please consider joining some of our paid programs and supporting our program facilitators, as well as dropping in on our community events. For any questions, please contact either the Camp Director or Program Director.
